SUYASH TIWARI

MCA STUDENT

Pimpri-Chinchwad Pune | tiwarisuyash700@gmail.com | 9146458102 | https://github.com/SuyashT0911

SUMMARY

I started my master's in October 2024. I became a class representative in my first semester and learned teamwork and leadership qualities. I also became the placement committee head and understood how the hiring process and on-campus placements work. In the second semester, I became President of the student society and achieved a certificate and medal for completion of the full-stack development in Java course.

TECHNICAL SKILLS

Java	HTML, CSS, JS	Soft skills:
Frontend development	Git	Adaptive
Web devlopment	MySQL	Collaborative
		Attentive

PROJECT

Pragati (In 1st year MCA)
- Developed an open source education portal including free certifications.
- Mobile+Desktop friendly responsive coding language learning portal..
